

## Foster Parent Application

Thank you for your interest in becoming an Every Creature Counts Foster Parent! Foster parents play a vital role within our organization. Without your support, we would not be able to assist nearly as many animals in need of help as we do. On behalf of our furry friends, we thank you!

Please complete the Foster Parent Application below. Please be sure to select the foster group/s that you are willing to work with. After submitting your application, you will be contacted by a member of the Every Creature Counts staff. Please be aware that we may schedule a home visit prior to approval of your application.

Thank you again for your interest in Every Creature Counts and we look forward to working with you!
